What are cookies?

Cookies are small text files stored on your device to enable website functionality and improve your browsing experience.

Cookies We Use

Essential Cookies

These cookies are required for the website to function properly and cannot be disabled.

Examples include:

- Session management
- Security
- Load balancing
- Cookie preference storage

Optional Cookies

If optional cookies are used (such as analytics or embedded third-party services), they will only be activated with your consent where required by law.

Managing Cookies

Most browsers allow you to control or delete cookies through their settings. Disabling essential cookies may affect the functionality of the website.
